2016

Food, Pharmaceutical and Bioengineering Division Award in Chemical Engineering

Winner in 2015: Jonathan Dordick, Rensselaer Polytechnic Institute

Description: Recognizes an individual's outstanding chemical engineering contribution in the food, pharmaceutical and/or bioengineering field, of fundamental nature and/or of practical significance to industry and industrial practice. These contributions may have been made in industry, government, or academic settings, or with other organizations.

Deadline: **February 15, 2016 (Monday).**
To obtain a nomination form, go to
http://www.aiche.org/community/awards/food- pharmaceutical-and-bioengineering-division-award-chemical-engineering

Award: A plaque and $4,000.
Presentation: The award is presented at the Food, Pharmaceutical & Bioengineering Division plenary session of the AIChE Annual Meeting.

PAST RECIPIENTS

2015 Jonathan Dordick	1991 J. E. Bailey
2014 Kristi Anseth	1990 K. J. Valentas
2013 Jay Keasling	1989 M. L. Shuler
2012 William E. Bentley	1988 A. G.Fredrickson
2011 Martin Yarmush	1987 H. C. Lim
2010 Antonios Mikos	1986 R. S. Langer
2009 Wei Shou Hu	1985 R. K. Finn
2008 Jeffrey Hubbell	1984 J. S. Schultz
2007 Bob Kelly	1983 C. L. Cooney
2006 James Liao	1982 K. B. Bischoff
2005 George Georgiou	1981 D. I. C. Wang
2004 Frances Arnold	1980 K. H. Keller
2003 Douglas Clark	1979 E. L. Lightfoot
2002 Bernhard Palsson	1978 H. A. C. Thijssen
2001 M. R. Ladisch	1977 A. S. Michaels
2000 R. K. Jain	1976 M. D. Lilly
1999 C. K. Colton	1975 C. J. King
1998 J. P. Clark	1974 R. L. Dedrick
1997 G. N. Stephanopoulos	1973 A. E. Humphrey
1996 H.W. Blanch	1972 R. Laser
1995 E. T. Papoutsakis	1971 A. I. Morgan, Jr.
1994 N. A. Peppas	1970 E. L. Gaden
1993 D. A. Lauffenburger	
1992 L. V. McIntire
