

## Turn words into action

The new HSC Chemistry® 7 may be used to minimize waste materials with the recycling and maximize efficiencies with the optimal process flowsheet. The result is sustainable industrial ecosystem where the economic, environmental, and social dimensions are in balance.

## Traveling Gangway Fits Any Car or Truck

Track mounted gangway can be moved back and forth along the elevated track and extended as necessary to provide safe and easy access or egress from the vehicle no matter what the spotting or configuration.

Designed to monitor high, intermediate or low point-level detection on dry bulk solids as well as liquids or slurries, the Dynatrol® Level Detectors are available in corrosion-resistant coatings. The compact, rugged detectors are built in the USA and are solidly constructed for a long operating life. They have no moving parts, require no adjustments and are virtually wear-free – delivering a worry-free solution for your demanding service conditions.

Request your copy of the latest Dynatrol® catalog - on CD!

Covers the complete Dynatrol® line of level switches & detectors, on-stream process analyzers, measurement & control instruments and a new line of accessories. Includes detailed drawings, wiring diagrams, and examples of proven uses.

## Free COMSOL Conference CD

COMSOL® is now offering a free copy of the 2010 Edition of the Conference CD! This CD is a well rounded compilation of works from the worldwide multiphysics simulation community. It contains over 400 slideshows from our recent conferences in Boston, Milan and Bangalore. Applications featured include microfluidics, electrochemistry, transport phenomena, reaction engineering, and many more.

**Request your complimentary copy of the CD at [www.comsol.com](http://www.comsol.com). Tel: 781-273-3322**

**The Proceedings of the 2010 AICHE Spring Meeting and 6th Global Congress on Process Safety** are now available in multiple formats. You may access content as e-downloads of individual papers or groups of papers by going to [www.aicheproceedings.org](http://www.aicheproceedings.org). The CD-ROM contains nearly 700 abstracts and more than 360 extended abstracts. Past proceedings are also available. **You may also order by calling Omnipress at 1-800-828-0305 or 608-246-2600 (international callers).**
