

Hytrell®-lined PVC Tubing

Resists oils, high temps, gas permeability
Good weatherability properties
Low adherence of particulates

Made in USA

Technologically Advanced Epoxies

One and Two Component Systems Feature:

- Protection against corrosion
- Toughness
- High Tg
- Resistance to cyclic fatigue

Multiphysics Simulation Papers and Presentations

Browse over 700 papers, posters, and presentations from the COMSOL Conference, the world's largest event for multiphysics simulation. At this event, chemical engineers shared their innovative research in areas such as:

- Catalytic oxidation
- Reactive transport
- Energy production from biofuel cells
- Many other topics

Get Started in Chemical Process Safety with CCPS' Process Safety Management Overview eLearning Course

CCPS' Process Safety Management Overview Online Course gives you an overview of process safety management systems and tools based on the Center for Chemical Process Safety's (CCPS) 20-element approach to process safety. The course also covers the US OSHA PSM 14 regulatory requirements.

Enroll today and gain an understanding of process safety management. Register for this course, and see all of AIChE's education offerings, at <http://www.aiche.org/education>.
