Section 9.1 - Definitions

For the purpose of this Article,

- (a) "Agent" means any person who is or was an Executive Committee member, employee, or other agent of this Local Section as a director, officer, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, or was a director, officer, employee, or agent of a foreign or domestic corporation that was a predecessor corporation of this corporation or of another enterprise at the request of the predecessor corporation;
- (b) "Proceeding" includes, without limitation, all attorneys' fees, costs, and any other expenses incurred in the defense of any claims or proceedings against an agent by reason of his position or relationship as agent and all attorneys' fees, costs, and other expenses incurred in establishing a right to indemnification under this Article.

Section 9.2 - Successful Defense by Agent

To the extent that an agent of this corporation has been successful on the merits in the defense of any proceeding, or in the defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection with the claim. If an agent either settles any such claim or sustains a judgment rendered against him, then the provisions of Sections 9.3, 9.4, and 9.5 shall determine whether the agent is entitled to indemnification.

Section 9.3 - Actions Brought by Persons Other than the Corporation

Subject to the required findings to be made pursuant to Section 9.5, this corporation shall indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding other than an action brought by, or on behalf of, this corporation, or by an officer, director or person granted related status by the Attorney General, or by the Attorney General on the ground that the defendant director was or is engaging in self-dealing within the meaning of California Corporations Code Section 5233, or by the Attorney General or a person granted related status by the Attorney General for any breach of duty relating to assets held in charitable trust, by reason of the fact that such person is or was an agent of this corporation, for all expenses, judgments, finds, settlements, and other amounts actually and reasonably incurred in connection with the proceeding.

Section 9.4 - Action Brought by or on Behalf of the Corporation

- (a) Claims Settled Out of Court - If any agent settles or otherwise disposes of a threatened or pending action brought by or on behalf of this corporation, with or without court approval, the agent shall receive no indemnification for either amounts paid pursuant to the terms of the settlement or other disposition or for any expenses incurred in defending against the proceeding.
- (b) Claims and Suits Awarded Against Agent - This corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action brought by or on behalf of this corporation by reason of the fact that the person is or was an agent of this corporation, for all expenses actually and reasonably incurred in connection with the defense of that action, provided that both of the following are met:
 - (1) The determination of good faith conduct required by Section 9.5 must be made; and
 - (2) Upon application, the court in which the action was brought must determine that, in view of all of the circumstances of the case, the agent should be entitled to indemnity for the expenses incurred. If the agent is found to be so entitled, the court shall determine the appropriate amount of expenses to be reimbursed.

Section 9.5 - Determination of Agent's Good Faith Conduct

The indemnification granted to an agent in Sections 9.3 and 9.4 is conditioned on the following:

- (a) Required Standard of Conduct - The agent seeking reimbursement must be found, in the manner provided below, that he acted in good faith, in a manner he believed to be in the best interest of this corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use in similar circumstances. The termination of any proceeding by judgment, order, settlement, conviction, or on a plea of none contention or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in the best interest of this corporation or that he had reasonable cause to believe that his conduct was unlawful. In the case of a criminal proceeding, the person must have had no reasonable cause to believe that his conduct was unlawful.
- (b) Manner of Determination of Good Faith Conduct - The determination that the agent did act in a manner complying With Paragraph (a) above shall be made by:
 - (1) The Executive Committee by a majority vote of a quorum consisting of Executive Committee members who are not parties to the proceeding; or
 - (2) The affirmative vote (or written ballot) of a majority of the votes represented and voting at a duly held meeting at which a quorum is present (which affirmative votes also constitute a majority of the required quorum); or
 - (3) The court in which the proceeding is or was pending. Such determination may be made on application brought by this Local Section of the agent or the attorney or other person rendering a defense to the agent, whether or not this Local Section opposes the application by the agent, attorney, or other person.

Section 9.6 - Limitations

No indemnification or advance shall be made except as provided in Sections 9.2 or 9.5(b) (3), in any circumstance when it appears:

- (a) That the indemnification or advance would be inconsistent with a provision of the articles, a resolution of the members, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or
- (b) That the indemnification would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 9.7 - Advance of Expenses

Expenses incurred in defending any proceeding may be advanced by this Local Section before the final disposition of the proceeding on receipt of an undertaking by or on behalf of the agent to repay the amount of the advance unless it is determined ultimately that the agent is entitled to be indemnified as authorized in this Article.

Section 9.8 - Contractual Rights of Non-Executive Committee Members

Nothing contained in this Article shall affect any right to indemnification to which persons other than Executive Committee members of this Local Section, or any subsidiary hereof, may be entitled by contract or otherwise.

Section 9.9 - Insurance

The Executive Committee may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the Local Section against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not this Local Section would have the power to indemnify the agent against that liability under the provisions of this section.

Section 9.10 - Unauthorized Opinions

The Local Section does not consent to the use of its name to back political candidates or any purpose other than the objectives stated in Section 1.2. The Local Section shall not be held responsible for unauthorized opinions of its members, no matter how or where expressed.

ARTICLE X RECORDS AND REPORTS

Section 10.1 - Inspection Rights

Any member of the Local Section may:

- (a) Inspect and copy the records of members' names and addresses and voting rights during usual business hours on five days' prior written demand on the Local Section, stating the purpose for which the inspection rights are requested, and
- (b) Obtain from the Secretary of the Local Section, on written demand and on the tender of the Secretary's usual charges for such a list, if any, a list of names and addresses of members who are entitled to vote for the election of the Executive Committee, and their voting rights, as of the most recent record date for which that list has been compiled, or as of a date specified by the member after the date of demand.

Any inspection and copying under this section may be made in person or by an agent or attorney of the member and the right of inspection includes the right to copy and make extracts.

Section 10.2 - Maintenance and Inspection of Articles and Bylaws

The Local Section shall keep the original or a copy of the Articles and Bylaws as amended to date, which shall be open to inspection by the members at all reasonable times during office hours. The minutes and accounting books and records shall be open to inspection on the written demand of any member, at any reasonable time during usual business hours, for a purpose reasonably related to the member's interests as a member. The inspection may be made in person or by an agent or attorney, and shall include the right to copy and make extracts.

Section 10.4 - Inspection by Executive Committee Members

Every Executive Committee Member shall have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties of the local section. This inspection by an Executive Committee Member may be made in person or by an agent or attorney, and the right of inspection includes the right to copy and make extracts of documents.

Section 10.5 - Annual Report to Members

The annual report to members referred to in the California Nonprofit Corporation Law is expressly dispensed with, but nothing in these bylaws shall be interpreted as prohibiting the Executive Committee from issuing such annual or other periodic reports to the members, as they consider appropriate. However, the Local Section shall provide to the Executive Committee, and to those members who request it in writing, within 120 days of the close of its fiscal year, a report containing the following information in reasonable detail:

- (a) The assets and liabilities, including the trust funds, of the Local Section as of the end of the fiscal year.
- (b) The principal changes in assets and liabilities, including trust funds, during the fiscal year.
- (c) The revenue or receipts of the Local Section, both unrestricted and restricted to particular purposes, for the fiscal year.
- (d) The expenses or disbursements of the Local Section, for both general and restricted purposes, during the fiscal year.
- (e) Any information required by California Corporations Code, Sections 6322 and 8322.

ARTICLE XI CONSTRUCTION AND DEFINITIONS

Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the California Nonprofit Corporation Law shall govern the construction of these bylaws. Without limiting the generality of the above, the masculine gender includes the feminine and neuter, the singular number includes the plural, the plural number includes the singular, and the term "person" includes both the Local Section and a natural person.

Local Section = Corporation
Executive Committee = Board of Directors

For that purpose, a quorum shall consist of a majority of the voting members, including at least two Local Section officers. Amendment or repeal of the bylaws shall require approval by at least 2/3rds of those present in the quorum.

Section 12.3 – AIChE Review

Amended bylaws that contain revisions of a conceptual nature inconsistent with AIChE guidelines (ARTICLE II) must be sent to AIChE (home office) to the attention of the Career and Education Operating Council (CEOC) for review. Bylaws amendments not impacting AIChE values will be sent as above in order to maintain records consistency.
