

Student-Awards Night & Dinner Seminar

Engineering New Protein Tools for Biotechnology Faster Drug Discovery + Safer Environment

by Dr. David W. Wood

Chemical and Biomolecular Engineering, The Ohio State University

Central Ohio Section -- Student-Award Winners

Kendel Mesch was the President of the The Ohio State University (OSU) AIChE ChemE Car group and is active in the student section. She successfully completed undergraduate co-op and internships in 2012 and is one of the top undergraduate students in the OSU Chemical Engineering program.

William J. Simons was President of the AIChE Ohio University (OU) Student Chapter for the 2012-2013 year. He was a team leader for the OU environmental design team competing at the Waste Management Environmental Resources Consortium (WERC) competition in New Mexico in April 2013, and a past member of the OU Chem-E-Car team. Will was a intern at Albemarle Corporation in the Summer of 2012, as an American Chemical Society SCI Scholar. He was a participant in OU's Robe Leadership Institute. He has been active in undergraduate research in OU's Institute for Sustainable Energy and the Environment, working on the conversion of algae to biofuels.

Dinner Option 1: **Country Chicken-BBQ** -- chicken breast topped with melted cheddar, diced tomato, green onion, and a touch of Ranch dressing.

Dinner Option 2: **Signature Pot Roast** -- slow-cooked roast with rich beef gravy, carrots, & onions.

Sides: Loaded Mashed Potatoes -- herb and garlic-seasoned mashed potatoes topped with melted cheddar cheese and buttered corn

Desserts: Assortment of Sheet Cakes -- Country Carrot, Triple Chocolate, Vanilla Caramel Swirl, and Butter Pecan Fudge
