

The Global Home of Chemical Engineers

Outstanding Freshman Award

2013 – 2014 nomination form

Presented to the one AIChE student member in each student chapter who has been the most involved in chapter activities during his/her freshman year, on recommendation of the Student Chapter Advisor.

Note: To be eligible for this prize, the nominee's student chapter **MUST** file an annual report with AIChE. The reporting period will open in **April** and close **July 1st, 2014**. Award nominations may be submitted in advance of the report, with the expectation that the chapter will file a report by the reporting deadline. Award nominators will be notified after June 30 about any missing annual reports. Chapters will be allowed a one-month grace period after the nomination deadline to file a report.
