

# Attention Graduating Seniors of 2015:

Enter for Your Chance to Win a Free  
Visa® Gift Card — up to \$100

**AIChE**   
The Global Home of Chemical Engineers

**Enter & Win!**

## AIChE: Helping You Transition from School to the Workplace and Beyond.

Provide your post-graduate contact information to AIChE for your chance to win one of three Visa® Gift Cards — \$100, \$50, or \$25.

This way, AIChE can stay in touch and provide you with the tools you need to succeed in whichever path you take once you graduate from school, including **career advancement tools**; access to the new **AIChE Academy**, bringing education and training resources to chemical engineers with webinars, presentations, and more; leadership opportunities with the **Young Professionals Committee (YPC)**; the **AIChE eLibrary** for research needs; plus a 12-month subscription to **Chemical Engineering Progress (CEP)** for the latest developments in cutting-edge technologies.

There are two simple ways to enter and win:

- **ONSITE CONTEST FOR GRADUATING SENIORS:** By attending a regional student conference, you will have the opportunity to provide your post-graduate contact information to AIChE (if you don't know your new address yet, enter your parents' address). At the end of each conference, three seniors who submitted their information will win a **\$100, \$50 or \$25 Visa® Gift Card**.
- **VIRTUAL CONTEST FOR GRADUATING SENIORS:** If you cannot attend a regional conference, you can enter the AIChE virtual drawing being held the weeks of April 26 through May 10 at [www.aiche.org/seniorsignup15](http://www.aiche.org/seniorsignup15). Three winners will be chosen at the end of the contest to win a **\$100, \$50 or \$25 Visa® Gift Card**. Note: If a student enters at a regional conference, he or she cannot participate in the virtual drawing.

Winners of onsite contests will be announced at the end of each regional conference (winner does not need to be present to win but must provide accurate contact information). Winners of the virtual contest will be announced via email the week of May 11. For questions or more information, please contact [studentchapters@aiche.org](mailto:studentchapters@aiche.org).
