

Enhance Your Professional Development with **AIChE ScaleUp**

Student membership in AIChE is sponsored for any undergraduate student taking any chemical engineering course anywhere around the globe.

Joining AIChE gives you your first professional credentials, extensive resources for education and networking, plus eligibility for more than \$50,000 in scholarships and awards. Join today to develop your network and career AND build technical skills and knowledge.

Get more, do more with AIChE:

- Safety and Chemical Engineering Education (SACHE) Certification
- Scholarships and Awards
- CareerEngineer – the only job board for ChemE undergraduates
- 24/7 access to the AIChE eLibrary
- Close to 90 Local Sections
- Annual & Regional Meetings
- And more.

Visit www.aiche.org/students today to become an AIChE Student Member – at no cost to you.
