

2015 AIChE ANNUAL RECRUITMENT FAIR

Sunday, November 8, 2015
9 AM – 4 PM

Salt Palace Convention Center
Salt Lake City, UT

The premier venue for reaching top chemical engineering undergraduates from the leading chemical engineering schools.

Over 1,400 students — the great majority of Juniors and Seniors — are expected at the Fair. Many will be considering Graduate School and exploring their options. Don't miss this once-a-year opportunity. Basic Table Package is only \$645.

Are you looking for a cost-effective way to reach chemical engineering students? A surefire way to showcase the benefits of your graduate program to potential applicants?

The Recruitment Fair is held in conjunction with AIChE's Annual Meeting & Annual Student Conference.

Present at the Recruitment Fair at the AIChE Annual Student Conference (ASC)

- More than 1,400 undergraduate chemical engineers are expected.
- Meet the most committed chemical engineering students and those most likely to continue education, at the graduate level.
- No larger gathering of your target market audience and no better opportunity to connect in person.
- 7 hours of exhibit time for as little as \$645.

Space is offered on a first-come, first-served basis. Reserve your table today.

The four-day Annual Student Conference (ASC) involves undergraduates in a variety of educational workshops, networking events, and competitions, including:

- Chem-E-Car Competition®
- Student Paper Competition
- Student Design Competition
- Undergraduate Poster Competition

Tulane University	Worcester Polytechnic Institute
University of Akron	University of California – Riverside
University of Alabama	University of Arkansas
University of Chicago	University at Buffalo, SUNY
University of Colorado – Boulder	
University of Delaware	

AIChE
The Global Home of Chemical Engineers

The American Institute of Chemical Engineers is a highly-respected, non-profit society for chemical engineering professionals. AIChE has been a global leader of the profession since 1908, disseminating knowledge, supporting the educational needs of the chemical engineering community, and applying the expertise of its members to address societal needs.

When you choose this exclusive event to promote your school, you'll meet the top chemical engineering undergraduates. It's the perfect opportunity to present the unique benefits of your graduate program.

This Year at the Fair

The Fair will be held at the Salt Palace Convention Center, Salt Lake City, UT. To ensure your space and the lowest exhibit fee, please register early.

The basic exhibit package features a 6ft. skirted table, 2 chairs, waste basket, 3 complimentary exhibitor-only registrations*, and an I.D. sign.

Electricity cost is not included, more information will be provided in the exhibitor kit.

Registered exhibitors will receive event details and shipping instructions. Exhibitors are responsible for their own shipping charges to and from the venue and on material handling fees. Instructions will be provided. †

- Cancellations prior to 21 days (October 18, 2015) before Recruitment Fair are charged a 25% cancellation fee.
- No refunds given for cancellations received less than 21 days (October 18, 2015) prior to Recruitment Fair (November 8, 2015).
