The screenshot shows a Mozilla Firefox browser window with the URL <https://aiche.confex.com/aiche/s13/t1/cfp.cgi>. The page content includes:

- Navigation links: Home, Log On, Contacts, Sitemap, About AICHE, Press Room, Advertise.
- Search bar: Search AICHE search >> Advanced Search Find It Fast
- Section: Call for Proposals to Present AICHE Global Congress on Process Safety
- Message: CFP CLOSED. The deadlines to enter new abstracts and to edit existing abstracts have been reached.
- Section: TO LOGIN TO AN EXISTING SUBMISSION. If you have already submitted an abstract and you wish to VIEW, RESUME, EDIT or WITHDRAW that submission, then log in below using the abstract ID Number and Password already provided to you: Abstract ID# Password View
- Section: LOST OR FORGOTTEN ID OR PASSWORD. If you have lost or forgotten your ID and/or Password to your submission, then you may instead login via the User Portal, which will contain a listing of ALL of your submissions for this meeting. Your portal login information can be obtained by following the User Portal link and clicking the "request an immediate reminder" link on that page. Group, Topical, Area and Session Chairs who are first time users to the system may also use the User Portal to log into and gain access to the system.
- Section: TECHNICAL SUPPORT. Technical Support may be obtained by calling (401) 334-0220 between 8:30 a.m and 6:00 p.m. ET, Monday-Friday, or at all times by contacting Tech Support. You may also use the "Tech Support" or "Feedback" links in the online abstract system.

Extended Upload

If required, you may download a personalized letter for a visa application.

Submitting a Proposal to Present

Welcome to the AIChE Online Meeting Planning System and abstract collection system. This system was selected by a task force appointed by the Executive Board of the Program Committee (EBPC) on the basis of its simplicity and ease of usage. As with any system, instructions are key, and we urge you to read the [presentational instructions](#) on each page before you begin entry.

Please keep in mind each abstract may only be submitted to one session at a time. You can no longer submit the same abstract to multiple sessions simultaneously. This has long been a complaint from chairs that they are pre-empted during paper acceptance by other chairs before they have had a chance to review submittals in detail. Now, the system requires the submitter to choose the most appropriate session. At the same time, chairs are able to transfer abstracts to other sessions if they feel that is applicable. Submitters also now have the option to write directly to chairs in a "Comments to Organizers" field with questions or suggestions.

In addition, the EBPC has stipulated that the same SPEAKER be designated no more than three times on submitted abstracts. Submittals in excess of the limit will not be considered for presentation in oral sessions. CO-AUTHORS may appear more than three times.

We trust you will find this new system far superior to the one used previously. Should you have concerns or challenges in using the system, please email the AIChE staff at meetings@aiche.org, and you will be answered as soon as possible.

AIChE Meetings Department

To Submit Your Proposal:

First read through these instructions, then begin your submission by clicking on the first step "Select Topic" in the Abstract Control Panel to the left of these instructions.

- o **Step 1: Select Topic** - Choose the most appropriate session for your submission from the list provided. Remember that you may only select one session to submit to. However there is a "Comments to Organizers" box in step 2 for you to enter comments, suggestions and questions.
- o **Step 2: Title** - After submitting your Topic you will be brought to Step 2, "Title", where you enter your title and the submitter's email address. You may also enter comments to the session chair and cochair(s) or a related webpage in this step.
- o **Step 3: Author** - Next, you will enter the personal information of any authors associated with your submission.
- o **Step 4: Abstract Text** - After submitting your paper's authors, you will enter your abstract text. Please read and follow the instructions on that page to submit your abstract text.
- o **Step 5: Keywords** - Please select 3 to 5 keywords that best describe your abstract submission from the provided list. These will be used to help attendees find your abstracts.
- o **Step 6: Survey** - Finally, you are asked to complete a brief survey on the content of your abstract relative to sustainability, simulation based engineering and science, and energy-related programming.
- o **Step 7: Confirmation** - After completing your survey, you will be brought to a final confirmation page to review everything you have entered.

Special Steps After the Proposal to Present Deadline

Please note that the steps that appear in the left hand control panel will change based off of certain dates.

- o Once the *Proposal to Present* deadline has passed, Step 1, Select Topic, will no longer be available.
- o Furthermore, once the Extended Upload process begins, for inclusion of files in the CO-Rom Proceedings, you will find a link under the "Options" header to where you can upload your Extended Paper file for this submission.

As you complete each step, the Abstract Control Panel will be updated, showing you what step you are on and displaying hyperlinks on all steps up to that point. (If those hyperlinks are not added automatically, it would most likely be because of a JavaScript problem with your machine. If you need help fixing that, [contact technical support](#).)

It is very important to note that you should not use your browser's back button at any time during submission. If you need to go back and make edits you should use the step links in the

Click on Extended Upload to submit your final paper approved by your session chair.

AICHE Speaker's Corner

This "Speaker's Corner" is the spot where you, as a speaker at the [2013 Spring Meeting and Global Congress on Process Safety](#), can upload the material and information we need from you for presentation IO# 291289:

Chasing the Protection of Intermediate Bulk Containers, Year 10

as part of Global Congress on Process Safety

Session: Electronic Poster Session

scheduled for Monday, April 29, 2013: 05:00PM - 07:00PM, CC, Ballroom A Right

[Intent to Present](#)

[Upload Extended Abstract](#)

Intent to Present

Please indicate whether you still intend to present at the 2013 Spring Meeting and Global Congress on Process Safety. If you would like to modify your submission or present a different paper, please confirm your intent, and then use the links below to change your submission.

YES - I confirm my intent to present at the 2013 Spring Meeting and Global Congress on Process Safety

NO - I am declining the invitation to present
