

## Is your AIChE student membership up to date?

**Get more, do more with AIChE.** Fall, winter, spring, and summer ... You can use your AIChE student membership benefits — at no cost to you — all year long (including breaks) as long as your membership is current.

Renew today for 2015-2016 membership [www.aiche.org/studentrenewal](http://www.aiche.org/studentrenewal)\*

### Discover the benefits of belonging:

#### SACHe Certification:

[www.aiche.org/sache](http://www.aiche.org/sache)

Earn process safety certification while you are still an undergraduate. The Safety and Chemical Engineering Education (SACHe) program is free with your student membership — and 100% online.

#### Scholarships and Awards:

[www.aiche.org/studentawards](http://www.aiche.org/studentawards)

Enrich your résumé with more than 50 scholarships and awards — valued at more than \$50,000.

#### Career Engineer:

[www.aiche.org/careers](http://www.aiche.org/careers)

Find internships, jobs, and practical training at the only job board for chemical engineering undergraduates.

#### eLibrary:

[www.aiche.org/elibrary](http://www.aiche.org/elibrary)

Online 24/7 to meet your research and coursework needs.

#### AIChE Mentor Center:

[mentorboard.jobtarget.com/AIChE](http://mentorboard.jobtarget.com/AIChE)

Get a head start on your future career at the Mentor Center, for help navigating your way through school and into the work world.

#### Local Sections:

[www.aiche.org/localsections](http://www.aiche.org/localsections)

Stay connected from anywhere in the world with over 90 local sections in the U.S., Saudi Arabia, Egypt, and Canada — plus the AIChE Virtual Local Section online.

#### Annual and Regional Conferences:

[www.aiche.org/studentconferences](http://www.aiche.org/studentconferences)

Network with industry experts, young professionals, AIChE leaders, and fellow student engineers. Check the website for meeting dates.
