

J. Steven (Steve) Arendt

Vice President, Operational Performance Assurance

ABS Consulting

1-281-673-2914

sarendt@absconsulting.com

Steve Arendt is the Vice President of ABS Consulting's Operational Performance Assurance group. He is involved with risk management and communication, process safety and site security, and counterterrorism activities associated with the chemical and allied industries.

Mr. Arendt has more than 25 years of experience in process safety, risk management, and security. Recently, he helped develop industry guidelines for performing security vulnerability analyses.

Mr. Arendt has published many articles and authored several major process safety publications, including RMP Compliance Guide: A Manager's Guide to QRA; Resource Guide for the Process Safety Code of Management Practices; Guidelines for Hazard Evaluation Procedures, Second Edition with Worked Examples; and Guidelines for Risk-based Process Safety Management. He is a coinstructor for security courses and has led numerous industry-sponsored security workshops.

Mr. Arendt is a registered Professional Engineer (P.E.) in the state of Tennessee.
