

Maryland
Section
Newsletter for
September 2008

Greetings!

I hope that everyone had a great summer! Please pass this along to fellow AIChE members who I may have inadvertently missed and let us know the missed email address so we can add it to our membership list.

I'd like to thank our Executive Committee for the hard work they have been doing during the past few months pulling together the fall 2008-2009 program.

We kicking off the program with a tour of BP Solar's facility in Frederick, Maryland on Wednesday, September 17, 2008, 4-6PM. Please let us know if you plan to attend by Friday, September 12, 2008. More details on that tour can be found on page 2 of the newsletter.

Also be sure to check out our newly revised section website, which will be online in just a few weeks.

That's it for now... ..I hope to see you at one of our program meetings this fall!

Regards,

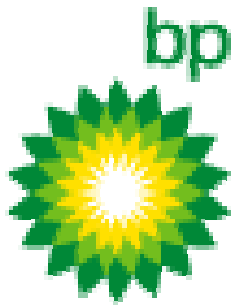

Curt Miller

Chair

September Meeting Announcement

BP Solar

To kick off another exciting 2008 – 2009 season for the AIChE Maryland Section, the BP Solar Frederick, Maryland plant will host a plant tour for the membership.

As you may already know, this plant has been on the “green energy” front by supplying numerous solar panels around the world over years. The latest and greatest technology is just in our backyard. Please join us and learn how to make solar panels as they may show up on your roof or in your neighborhoods very soon.

Tour Schedule:

Date/Time: Wednesday, 9/17/08; 3:30 – 7 PM (Approx.)

Place: BP Solar Frederick, MD plant

630 Solarex Court, Frederick, MD 21703

Agenda:

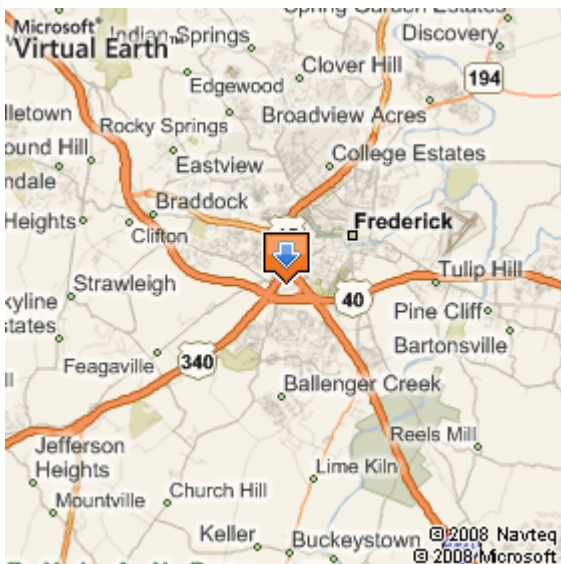

3:30 - 4 PM: Registration

4 – 4:30 PM: Introduction

4:30 - 6 PM: Plant Tour

6 - 7 PM: Light Buffet Dinner on Site and Networking

Please note that the number of visitors on this tour will be limited on a first-come-first-serve basis.

Maryland Section Newsletter for September 2008
