

May Section Meeting: Spring Mixer at Hudson Gardens

Bring your spouse, family, co-workers, significant other, or whoever you like for a social evening at Hudson Gardens. There is no presentation for this meeting, just networking, social time, and a chance to enjoy spring. Your meeting fee pays for food and admission to the beautiful Hudson Gardens bordering the South Platte River. We need a big turnout to make this a success, so if you've been avoiding those "boring" Rocky Mountain AIChE meetings, now's your chance. Talk with friends, wander the gardens and enjoy springtime in the Rockies!

The Hudson Gardens & Event Center features thirty acres of gardens arranged in a continuous flow along a mile-and-a-quarter walking path. A classic outdoor regional display garden, The Gardens reflect the multitude of plants, flowers and trees that thrive in the dry Colorado climate, and include land that varies from high, dry prairie to wetlands near the river.

NEW MEXICO CORNER

If you'd like to volunteer to speak at a future meeting or if you have any meeting/activity ideas, please let me know! Participation in the Albuquerque area has increased over the last year and I'd like to keep this trend going! Again, a warm "Thank You" to all of the AIChE-NM members for making our little sub-section a great one! See you soon!

*Kerrie Greenfelder, New Mexico Liaison
