

# 2011 ANNUAL GRADUATE SCHOOL FAIR

Sunday, October 16, 2011  
9 – 11 AM & 1 – 4 PM

Minneapolis Convention Center  
Minneapolis, MN

The premier venue for reaching top chemical engineering undergraduates from the leading chemical engineering schools.

**Over 1,400 students**—the great majority of Juniors and Seniors—are expected at the Fair. Many will be considering graduate school and exploring their options. Don't miss this once-a-year opportunity. Basic Booth package is only \$645.

The Graduate School Fair is held in conjunction with AIChE's Annual Meeting & Annual Student Conference.

The three-day Annual Student Conference involves undergraduates in a variety of educational workshops, networking events, and competitions, including:

- Chem-E-Car Competition
- Student Paper Competition
- Student Design Competition
- Undergraduate Poster Competition

Are you looking for a cost-effective way to reach chemical engineering students? A surefire way to showcase the benefits of your graduate program to potential applicants?

Presenting the Graduate School Fair at the AIChE Annual Student Conference

- More than 1,400 undergraduate chemical engineers are expected.
- Meet the most committed chemical engineering students—and those most likely to continue education at the graduate level.
- No larger gathering of your target market—and no better opportunity to connect in person with these desirable potential applicants.
- Five hours of exhibit time for as little as \$645.

Space is offered on a first-come, first-served basis. Reserve your booth today.

**AIChE** The American Institute of Chemical Engineers is a highly-respected, non-profit society for chemical engineering professionals. AIChE has been a global leader of the profession since 1908, disseminating knowledge, supporting the educational needs of the chemical engineering community, and applying the expertise of its members to address societal needs.

When you choose this exclusive event to promote your school, you'll meet the top chemical engineering undergraduates. It's the perfect opportunity to present the unique benefits of your graduate program.

### This Year at the Fair
