

VISITOR'S POLICY GUIDELINES

Bissinger's is a food processing facility and the following must be observed:

- Do not enter the production area unless guided by a Bissinger's employee.
- Hairnets must be worn in all production and warehouse areas. Beard nets must be worn by an individual that has any amount of facial hair. Hats are not to be worn in place of hairnets.
- Jewelry is prohibited in the production and warehouse areas.
- No cell phones or cameras are allowed.
- No food, drink or open container of any kind is allowed in the production or warehouse areas.
- No glass is allowed in the production and warehouse areas.
- Visitors are required to wear a Bissinger's provided smock.
- No smoking and/or chewing tobacco is allowed in the building.
- For your safety, visitors can only wear flat, closed-toe shoes in the production and warehouse areas.

I have read and fully understand these requirements.
