## "Total Tank Management and Monitoring"

Travis Lunn is an Account Manager for the RE Mason Company and is based in Greenville, SC. He has a B.S. in Biosystems Engineering from Clemson University.

Travis began his career with RE Mason in 2010 as an Applications Engineer with the Inside Sales Group in Charlotte, NC. As an AE, he focused on providing Fisher Controls solutions for customers throughout the Carolinas, primarily in the Chemical and Pulp & Paper industries. Travis transitioned to an Account Manager for the Western Carolinas territory in 2015.

## February Meeting Thank-you

WSC AIChE would like to extend a thank you to Dr. Jessica M. Kelly, Assistant Professor Chemical and Biomolecular Engineering, Clemson University, for her presentation "Engineering Biologically-Relevant Drug Delivery Systems".
