Meet KC AIChE's Wish Kid: Finley!

Finley, 5
Non-Hodgkin Lymphoma

Finley, or "Fin" as her friends call her, is a sweet 5-year-

old girl who was recently diagnosed with T-cell non-Hodgkin Lymphoma. Because of her diagnosis, Finley has been forced to undergo an intense chemotherapy regimen, multiple hospital stays, and numerous medications to combat her disease.

Fin is an 'in-charge', spunky, don't get in my way kind of girl. She's always on the go and loves to ride her bike and play baseball. She also likes to spend time with her 12-year-old brother and German Shepherd.

Her favorite thing in the entire world is superheroes! She loves them all, but the Hulk is her absolute favorite. Her wish is to meet superheroes!

We appreciate any and all support you could provide to help support Finley's Wish!
