

## **Coming Up: April Meeting**

**Introducing our Spring Speaker Series:  
"ChemE for a Cleaner World!"**

**sponsored by:**

Come and enjoy dinner at Brio Tuscan Grille on the Plaza and listen to Brian Foy from Burns & McDonnell speak about treatment of industrial effluent (wastewater treatment for industrial facilities). Brian currently leads the Industrial Water department at Burns & McDonnell and has over 20 years of experience in the treatment of water and wastewater. He will provide an overview of the unit operations involved, the theory behind them, as well as some of the issues that industrial clients commonly face.

**Date:** Tuesday, April 18th, 2017

**Time:** 6-8 pm

**Location:** Brio Tuscan Grille

502 Nichols Rd  
Kansas City, MO 64112

**Cost:** \$5/\$10 (Member/Non-Member) OR  
if you bring a new person or if it's your first time attending,  
your dues are waived!

Menu options will include: Chicken Milanese, Roasted Tomato Basil Campanelle,  
or Shrimp Mediterranean, which we will order at our meeting.  
Each entrée comes with a salad and crème brulee for dessert.

that will be sent in the response email.

### **Looking Ahead: May Meeting**

**Spring Speaker Series:  
"ChemE for a Cleaner World!"**

Save the Date!  
**Tuesday, May 23rd, 2017**  
6 to 8 pm at Brio Tuscan Grille

### **Flash Back: Fike Tour**

## **Thanks to Fike for the educational and impressive tour!**

We had a great time watching live demonstrations of their  
rupture discs and fire suppression systems!

featured on Manufacturing Marvels.

## **Volunteer Opportunity!**

### **Project Lead the Way High School Senior Showcase**

**Tuesday, April 18th at Union station**

Help celebrate graduating Project Lead The Way students as they share their senior capstone projects from the Engineering Design and Development and Biomedical Innovations courses. These student teams have tackled real-world problems through a rigorous process that includes collaborating with their peers, seeking advice from

industry mentors and using the skills and knowledge gained through PLTW to develop and test solutions. Join the KC STEM Alliance in Union Station's Sprint Festival Plaza for a showcase of their innovative findings.

KC STEM Alliance is still seeking a few more hands to help with project reviews during the event. This is a fun in-person activity for someone who likes interacting with students and will take about 30 minutes within the window of 9 to 11 AM.
