

**AIChE**   
The Global Home of Chemical Engineers

# SPECTROSPOOKY

**23rd to 25th October 2023**

# About Us

AICHE, The American Institute of Chemical Engineers (AIChE) stands as a premier global organization for students and professionals in chemical engineering. Established in 1910, AIChE currently boasts over 60,000 members spanning 110 countries. AIChE Global offers an international platform for aspiring minds to showcase their talents, providing a rich array of resources and guidance for success in future endeavors.

**AIChE-VIT**, The AIChE Student Chapter at VIT (Vellore Institute of Technology) was established in 2014, with the goal of offering chemical engineering students exposure and experience through various competitions across India and worldwide, enhancing their skills in the field. AIChE-VIT holds the distinction of being the sole Indian chapter to host the Student Regional Conference twice and has won the Outstanding Student Chapter award seven times.

**AIChE-UTP-SC** founded in 2012, is the first global AIChE chapter in Asia and second chemical engineering society in Universiti Teknologi PETRONAS. Our aim is to cultivate a community of chemical engineers with the vision and exposure to tackle real world problems related to technology and chemical industries.

**AIChE- UTEC** aims to bring fellow students closer to realizing their career aspirations and integrating valuable tools for their learning. The prospect of newfound career opportunities fills them with excitement. There is a strong desire for the AIChE student chapter at UTEC to thrive, expand significantly over time, and elevate the standing of the Chemical Engineering program at UTEC to the deserving heights within Peru.

**AIChE-NDU**, While it was officially recognised as an AIChE student chapter in February 2019, the Chemical Engineering Society (CEE) at NDU has been a medium of engagement and connection for all students since November 2017. AIChE-NDU has conducted several successful field trips and conferences to promote the academic excellence of the chemical engineering program at the university.

## About the Event

SpEcTrOsPoOkY is a delightful multi-chapter networking extravaganza, where AIChE chapters~ AIChE-VIT, AIChE-UTEC, AIChE-UTP-SC, AIChE-NDU from around the world come together with a shared goal of fostering exposure and nurturing enriching relationships.

Embracing the eerie allure of Halloween, this event promises to awaken the creative spirits within the participants and encourage unconventional thinking. In the spirit of the cherished trick-or-treat tradition, the initial round involves enigmatic codes and ciphers designed to challenge participants' grasp of STEM fundamentals. A single misstep might lead them down a captivating rabbit hole.

The second round, a thrilling team-based competition, will be a grand showcase of creativity and spontaneity—a true Halloween showdown not to be missed.

# Itinerary

23<sup>rd</sup> October (Day 1)

## Time(IST)

- 6:30pm
- 8:15pm
- 9:15pm
- 9:30pm
- 10:15pm
- 10:45pm

## Event

- Inaugural Ceremony
- Commencement of Round
- End of Round 1
- Ice Breaker session
- Announcement of Results
- Commencement of Round 2

24<sup>th</sup> October (Day 2)

## Time(IST)

- 10:00am
- 7:30pm

## Event

- Checkpoint-1
- Checkpoint-2

25<sup>th</sup> October (Day 3)

## Time(IST)

- 10:00am
- 6:30pm
- 7:30pm

## Event

- Checkpoint-3
- Final Checkpoint
- Closing Ceremony
