

March Section Meeting: Dinner and Discover on Corrosion Control of Buried Steel Piles

Attend our March monthly section meeting for a presentation on Corrosion Control of Buried Steel Piles given by Matt Van Auken and Wink Jenkins.

Matt Van Auken is a NACE corrosion specialist, and chairman of the [Rocky Mountain NACE section](#). He is a speaker and advisor for government regulators, professional organizations, contractors, and others responsible for the safety and integrity of buried or submerged structures.

Wink Jenkins is a NACE cathodic protection technician and perusing his master's in engineering from the University of Colorado. After his retirement from the United States Air force, Mr. Jenkins focused his efforts into managing construction, integrity, and corrosion project in the oil and gas industry.

You can learn more about our topic by watching the [NACE Corrosion Movie](#)

*Add \$5 for attending meeting without RSVP

Send your email address to mmoes@ekiconsult.com to receive this newsletter electronically!

Casting Call for Science Fair Judges

At the start of each year, our Section initiates planning for providing judges for the State Science Fair. Our Section awards a 1st and 2nd place, respectively, in the Junior and Senior High Divisions. The award consists of a certificate and a cash prize (well, a check). The winners are also invited to our April meeting. Judging is held at Colorado State University in the Lowry Student Center. You can learn more about the Science Fair at www.csed.colostate.edu. In mid to late March, the web site will contain a synopsis for each project. You can then review each project. We are classified as Special Judges since our judging criteria consists of reviewing student projects with an emphasis on Chemical Engineering principles. The date is April 11th from 12:15 – 5:00 pm.

If you are interested please contact Michael Mutnan, our Section Coordinator, at 303-423-1586 or mmutnan@juno.com. He will register you at the website and you will receive a judging packet in the mail at the end of March. If you are a last-minute judge, please come to the Lowry Center and you will register at that time. In the past parking has been at the CSU Equestrian Center where bus service will take you to the campus. This is a very intense day for judges, but well worth the effort. Michael highly recommends it.

CEMS FILM SCREENING APRIL 23rd

The annual film screening and panel discussion sponsored by the Colorado Environmental Management Society (CEMS) will be on April 23rd at the Denver SIE Film Center at 2510 East Colfax. More details will follow on the AIChE website.

2019 Rocky Mountain Student Regional Conference on April 5-6

Learn more about the [AIChE Rocky Mountain Student Regional Conference](#) to be held at the University of Colorado School of Mines in Golden on April 5-6.

TAKE OUR MEETING SURVEY

In an effort to increase participation at our monthly section meetings, we would appreciate your response to our [survey](#). Please take less than 5 minutes to answer 10 questions and use the free-form comment area to make suggestions for further meeting topics, locations, or activities. We would love to hear your suggestions!

WE NEED VOLUNTEERS!

Our program year is nearly over, and we would like to give a big thank you to our officers and board members for the past year! Thank you so much for your dedication to our local AIChE group by serving our members this past year!

If you would like to volunteer for an officer position for the upcoming program year, please contact Cindy Fischer at 303-988-3611 or cindy.fischer@q.com by March 31.
