Meeting Announcement

Single Use (disposable) Systems and Equipment for the Biopharmaceutical Industry Technical Seminar

by

Trevor Troutman – Pall Corporation

- Location: University Club, 4200 Hillsborough St, Raleigh NC 27606
- When: Tuesday, March 11, 2014
- Time: Social starts at 5:30 PM, Dinner at 6:30 PM, Seminar at 7:00 PM
- Request: Bring your spouse or a guest.
- Fee: \$10 for AIChE members and the first 5 student chapter members;
\$15 for non-members for buffet dinner
- Limit: The event is limited to 50 persons, so RSVP early

Trevor is a Senior Sales Engineer for Pall Systems and Columns Group and a graduate of Lehigh University in mechanical engineering. He has been working with Pall Systems and Columns for 11 years. This talk will cover the use and application of single use equipment in biopharmaceutical applications, the advantages of using this equipment as compared to more traditional equipment from the standpoint of capital investment, cleaning, cross contamination risk, product change over and repeatability of operations. TFF, mixing, filling, among other applications will be discussed.

Please RSVP by March 6th

RSVP to: Tim Wallace (timwallace@embarqmail.com) or call 919-552-6330
