Meeting Announcement

Principles of Thermal Oxidation and Incineration by James Nestor – NESTEC

Location: University Club, 4200 Hillsborough St, Raleigh NC 27606
When: Thursday, October 18, 2012
Time: Social starts at 5:30 PM, Dinner at 6:30 PM, Lecture at 7:00 PM
Request: Bring your spouse or a guest.
Fee: Free for AIChE members and the first 5 student chapter members;
\$15.00 for non-members for buffet dinner
Limit: The event is limited to 50 persons, so RSVP early

James is the President of NESTEC and a Mechanical Engineering graduate from Drexel University. This talk will cover the principles of oxidation and incineration of waste gas streams. Topics covered will be the types of oxidizers and their application in different industries, destruction efficiencies, thermal efficiencies, and the use of auxiliary equipment such as scrubbers, quenches and recovery boilers used in the treatment of waste gas.

Please RSVP by October 11th

RSVP to: Tim Wallace (timwallace@embarqmail.com) or call 919-552-6330
