### Meeting Announcement

#### **Plate Heat Exchanger Basics and Care Technical Seminar by Sam Kumar – SPX Flow Technology**

Location: University Club, 4200 Hillsborough St, Raleigh NC 27606  
When: Tuesday, April 24, 2012  
Time: Social starts at 5:30 PM, Dinner at 6:30 PM, Lecture at 7 PM  
Request: Bring your spouse or a guest.  
Fee: \$10 for AIChE members and the first 5 student chapter members.  
\$15 for non-members for buffet dinner  
Limit: The event is limited to 50 persons, so RSVP early

Sam has global responsibility for plate heat exchangers within SPX Flow Technology; he has been working with plate heat exchangers for over 20 years for SPX. This talk will cover the basic requirements to design, install and operate effective plate heat exchangers for the best long term performance. Topics covered will be: history, sizing, materials of construction, operational requirements and advantages of plate heat exchangers. Sam is a mechanical engineering graduate of The Imperial College in London, England.
