Meeting Announcement

Tour of the Mallinckrodt Pharmaceutical Plant

Location: 8801 Capital Blvd, Raleigh NC
When: Tuesday, November 18, 2014
Time: 4:00 PM
Request: Bring your spouse or a guest.
Limit: The event is limited to 40 persons, so RSVP early

Join us for a tour of the Mallinckrodt Pharmaceutical facility where they manufacture Acetaminophen. On this tour you will witness the chemical processes used to manufacture Acetaminophen and the bulk packing facility for the final product.

The tour will be led by Jay Collie. Jay is the principal project Engineer at the facility. Jay studied Chemical Engineering at the University of Virginia and has been working in consulting, design, construction and operations during his career.

The tour will involve walking through an operating plant, so open top shoes will not be allowed for plant entry. Steel toed shoes are recommended. There will be hard hats and safety glasses available, but there is limited supply, so if you can bring your own with you, that would help.

An optional dinner meeting will be held after the tour at On the Border for those who wish to meet for dinner. Members and guests will be responsible for their own orders.

Please RSVP by November 13th

RSVP to: Tim Wallace (timwallace@embarqmail.com) or call 919-623-1643

Name (s): _____

Member _____ Prospective Member or Guest _____ Student _____

Directions to Mallinckrodt

Take the US 1 (Capital Blvd.) Exit off I-540 Beltline heading North towards Wake Forest. Just past Durant Rd. turn left at the traffic light into the plant entrance. Bear right and notify the guard that you are there for the AIChE tour. Proceed through the gate, park in the lot to your left on either side of the building and meet in the plant lobby.

Directions to On the Border

Turn right leaving the plant onto Capital Blvd. and head south to Old Wake Forest Road. Turn right onto Old Wake Forest, then take your first Right into the shopping center. On the Border will be on the right hand side of the road.
