Meeting Announcement

Flame Arrestors and Tank Venting Design by David Lovein - Protego

Location: University Club, 4200 Hillsborough St, Raleigh NC 27606
When: Wednesday, March 25, 2015
Time: Social starts at 5:30 PM; Dinner at 6:30 PM; Lecture at 7:00 PM
Request: Bring your spouse or a guest.
Fee: \$10 for AIChE members. \$15.00 for non-members for buffet dinner
Limit: The event is limited to 50 persons, so RSVP early

This seminar will go over design guidelines and best practices for the sizing and installation of vessel vent flame arrestors. The presentation will discuss the proper applications of these with regard to process conditions. It will also cover tank venting in regard to API 2000 standards and a comparison of 100% lift to 10% lift vents.

David is the Regional sales manager for Protego Inc. His industry background is in the Environmental Industry specializing in hazardous and special waste storage and disposal. David is a 1987 graduate of Georgia Tech with a degree in Management Science.

Please RSVP by March 19th

RSVP to: Tim Wallace (easternncaiche@gmail.com) or call 919-623-1643
