Meeting Announcement

Novo Nordisk Diabetes Finished Products (DFP) Plant Tour

When: Wednesday, May 16, 2018
Location: 3612 Powhatan Road, Clayton, NC 27527
Time: Badging starts at 5:15 PM; Presentation/dinner starts at 5:30 PM
Cost: \$10 for AIChE members; \$15 for non-members

Novo Nordisk is a global healthcare company with more than 95 years of innovation and leadership in diabetes care. This heritage has given experience and capabilities that also helps people to defeat other serious chronic conditions: hemophilia, growth disorders and obesity.

At Novo Nordisk - Site Clayton, the diabetes production process includes product formulation with the mixing of insulin crystals and chemical stabilizers and ultra-pure water, aseptic filling of glass vials or cartridges, inspection and packaging. The Clayton site also assembles and packages the FlexPen® and FlexTouch® disposable insulin delivery devices for the US market.

All are welcome including members and non-members. The event will include dinner, a presentation and a tour of Aseptic and Finished Production.

All attendees will be required to provide their employer name for registration. No smoking is permitted anywhere on campus.

For the tour:

All attendees must remain with their guides. Gowning (frock, hair/beard net and booties) and safety glasses will be provided and required. Closed-toe shoes and long pants are also required. Personal items and bags are not allowed on tour but will be secured in the meeting room.

The event is limited to 45 attendees. Please RSVP by May 7th
