

PRELIMINARY DAILY PROGRAM:

8:30–9:15 a.m.

Engineering Expo

Meet with current engineering students and see some of their projects

9:15–10 a.m.

Presentation on Engineering Careers

Learn about how engineers contribute to all aspects of society

10–10:45 a.m.

Team Building Exercise

Work with other students to complete a hands-on engineering-related task

10:45–11:30 a.m.

Engineering Panel Session

Learn about the day-to-day activities of practicing engineers and engineering students; time to ask your most burning questions

11:30 a.m.–12:30 p.m.

Engineering Lunch

An opportunity for one-on-one discussions with engineering professionals and students

12:30–1:30 p.m.

Keynote Speaker

Dr. Pete Ludovice

Comedian and Engineering Professor at Georgia Tech

1:30–2:30 p.m.

Tours of the Illinois Tech campus

Only 200 students are accepted for each day and spaces fill up fast!
