

Program at a Glance

Thursday, March 3, 2016

8:15 - 9:30am – Morning Keynote

- **Carlo Segre**, Illinois Institute of Technology

9:45 - 11:30am – Technical Sessions

- Cancer Therapies
- Electro-Chemical Processes I
- Biofuels I
- Process Design and Optimization I
- Process Safety I

12:45 – 1:45pm – Plenary Sessions

- **Shakeel Kadri**, *AICHE Center for Chemical Process Safety*
- **Linda Broadbelt**, *Northwestern University*

2:00 - 3:45pm – Technical Sessions

- Drug Delivery I
- Electro-Chemical Processes II
- Biofuels II
- Process Safety II
- Multiphase CFD Tutorial

4:00 - 5:45pm – Technical Sessions

- Drug Delivery II
- The Hydrogen Economy
- Process Design and Optimization II
- Process Safety III
- Job Search Strategies

5:45 - 6:30pm

- Poster Session

6:30 - 7:30pm

- Conference/Local Section Dinner

7:30 - 8:30pm – Dinner Keynote

- **Jeffery Hubbell**, *University of Chicago*

Friday, March 4, 2016

8:15 - 9:30am – Morning Keynote

- **Corey Correnti**, *BP* (Retired 2015)

9:45 - 11:30am – Technical Sessions

- Tissue Engineering I
- Environmental Engineering
- Fluid Properties and Transport Phenomena
- Process Modeling and Estimation
- Refining and Petrochemical Engineering I

12:45 - 1:45pm – Plenary Sessions

- **Lorenz T. Biegler**, *Carnegie Mellon University*
- **Christopher Burcham**, *Eli Lilly and Company*

2:00 - 3:45pm – Technical Sessions

- Tissue Engineering II
- Pharmaceutical Processing
- Process Operations and Control
- Refining and Petrochemical Engineering II
- Process Safety Workshop I
- Leadership Workshop

4:00 - 5:45pm – Technical Sessions

- Modeling of Biological Systems
- CFD Methods and Applications
- Environmentally Conscious Process Design
- Sustainable Power Systems
- Process Safety Workshop II

5:45 - 7:00pm – Closing Keynote and Reception

- **Manu Vora**, *Business Excellence, Inc.*

7:00 - 9:00pm

- YP Social (off-site)
