## Announcing our Upcoming WITHERSPOON DISTILLERY TOUR

**When?** May 25, 2018 2:00-3:30 PM

**Where?**

**How?** Join us at the Distillery at 1:30 PM,  
Located at:  
225 S. Charles Street  
Lewisville, TX 75057  
(214) 814-0545

**How Much?** The cost is \$20.00 per person, all of which will go toward your admission fee. We suggest that you register and pay in advance either by mailing a check to our treasurer at 603 Goliad Drive, Keller, TX 76248 or at our April meeting; or via PayPal at our website by clicking [HERE](#)

We have reserved and guaranteed 18 attendees, but the spots will fill quickly, so register as soon as possible. Any additional reservations would be taken in the order received and, on a space-available basis.

**Details:** We are excited to have found a “learn and have fun” plant tour that we are sure everyone will enjoy. Your whole family will be warmly welcome at the distillery, but the tour is exclusively for the over 21 crowd. The bar, lounge and garden areas are family friendly, so that families would join after the tour, at about 3:30 PM.

The owners of the distillery are looking forward to our visit. Here is an excerpt of their response: “Thank you for thinking of us for such an interesting tour! I can already tell you that my husband/business partner will want to be a part of it. We own the distillery, but he does still occasionally guide tours. This one is right up his alley. I’m sure our distillers will also want to participate.” ... “Each tour ends with a tasting of our spirits.”

The distillery is within walking distance of the Lewisville downtown district, which has many historic attractions and great restaurants such as [Prohibition Chicken](#), [Tierney’s Café and Tavern](#), [Twisted Root Burger Co.](#), and [Cavalli’s Pizza](#). You may want to come into town early and have a leisure lunch before the tour or maybe a late lunch after the tour.

There might be a food truck parked at the distillery. The specific truck scheduled for that day is [The Chicago Taste and More](#). For their menu, click on their name.

On this particular food truck, the distillery tells us: “In the case of this... truck, people will travel to the distillery just for them, will come inside, order food and leave without taking a tour or ordering a single cocktail. In other words, they do have a following and always get great reviews from our customers.”
