

American Institute of Chemical Engineers
Dallas Section
April 2024

Join us for our upcoming meeting on April 23, 2024

Join us at 6:30 pm at our usual location:

Two Guys from Italy, 11637 Webb Chapel Road, Dallas, Texas

Our speaker: Marwan Elzarka, Process Engineer, Texas Instruments

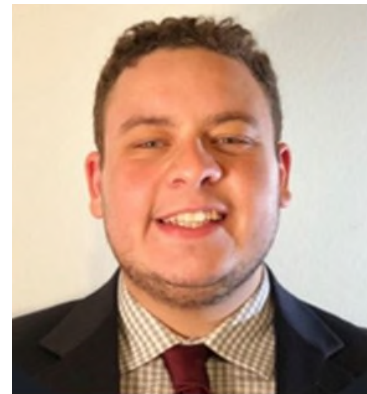

Title: The role of chemical engineers in the semiconductor industry

Abstract

Marwan will share his experience combining a chemical engineering background with the world of semiconductors and will show how it is more relevant than meets the eye.

Speaker bio

Marwan Elzarka is a fighting Texas aggie chemical engineer. He graduated class of 2021 and currently works at Texas Instruments as a process engineer. His interests include rocketry, space exploration, automation of chemical processes and data science.

Upcoming meeting in May

Save the date and make plans to join us for our meeting next month. More details will follow shortly.

May 28, 2024

Speaker: Renee Hale, R&D Principal Engineer, PepsiCo

Topic: Chemical engineering in the food industry

Invitation to become a local member

If you are a national member of AIChE living in the DFW area, we will pay your 2024 dues to join the Dallas Local Section if you attend one of our meetings in person. Just let us know that you plan to attend one of our meetings by writing to fja@aguivel.com.

Stay current with announcements in our LinkedIn group

Our LinkedIn group is now public, so anyone with a LinkedIn account can see our news. If you wish to comment or post information, you can join the group. To join, visit: [AIChE Dallas Section LinkedIn Group](#)
