Dallas Section Executive Committee 2025-2026

After having only one new volunteer willing to run for an officer opening this year, and not having more than one candidate per position, we decided it did not make sense to spend time and money to run an election this time. Luckily, everyone in the Executive Committee (EC) was willing to continue in their same roles for another year. Since we had a vacancy in the Vice Chair position, the EC decided to appoint Russ Stephens (the only new volunteer) to that position considering Section 3 of Article V of our Bylaws.
