October 2025**

Join us for a plant tour on Friday, October 17, 2025

**Join us at 2:00 pm for a plant tour of the
Nouryon Ft. Worth location:**

611 E. Northside Dr., Fort Worth, Texas 76164

Plant Contact: Russ Stephens, Site Manager

Information: Plant produces naphthalene sulfonate powders and liquids. This will be a walking tour of the plant.
Please RSVP by October 14 by replying to this email. In your RSVP, please let me know if you will need steel toe shoes and your shoe size. The plant has a limited number of steel toe shoes. If you have your own, please bring them to accommodate others who may not. We can provide all other PPE for this plant tour.

Plant Tour Agenda:

2:00 - 2:15 pm Check In, Watch Safety Video, Obtain Personal Protective Equipment (PPE)
2:15 - 2:45 pm Nouryon and Plant Overview Presentation
2:45 - 3:45 pm Plant Tour
3:45 - 4:00 pm Return Personal Protective Equipment (PPE), Checkout

Directions:

Plant is located just off East Northside Dr. next to the Trinity River. Look for an orange Nouryon Surface Chemistry sign near the road. Turn into the driveway and head to the security gate. Press the call button and ask for Russ Stephens to allow access to the facility.

Vote for the 2025 AIChE® Board of Directors

Beginning in 2025, AIChE discontinued the use of paper ballots in its Board of Directors election. So please share this email with your AIChE peers to get votes in electronically. To learn more about the candidates, check out **2025 AIChE Board Election for the 2026 Board**. Here you can read candidate bios and their AIChE platform statement. The election closes on October 8th at 11:59 PM EDT. Vote soon to be heard.
