Also, Registration for FREE H2 Conference Below!

SEPTEMBER 7-9, 2021 | VIRTUAL EVENT

Oktoberfest at German Central Farm in Parma

Gemuetlichkeit

Join the fun at the Oktoberfest here in Parma, Ohio on Friday September 10th 2021. Observe the colorful heritage, culture, music, and dances of the German people. Our own unique version of this legendary event offers something for the whole family, and for both the young and the young-at-heart.

Oktoberfest actually began as a royal wedding in Munich, Germany on October 12, 1810. In the years following the wedding, all the appreciative Bavarians in and around Munich held anniversary celebrations until, about ten years later, the celebrations turned into annual Oktoberfests.

German Central's Oktoberfest, which was first held in 1999, provides a golden opportunity to get together with old friends and form new acquaintances. Enjoy the delicious food, flowing beer, and Gemuetlichkeit.

Meeting Location:

7863 York Road

Parma, OH 44130

germancentralfoundation.com

COVID-19 Mask & Vaccine Protocols
may be in place?

Cost: \$5 Admission per person**Menu:** German Beer \$4,

German Brats on Roll \$6,

OFFICIAL KNOWLEDGE PARTNERS

This three-day, multi-track virtual conference will explore crucial issues and topics such as:

- Energy policy and overcoming regulatory barriers to hydrogen application
 - Scaling-up low-carbon hydrogen networks
 - Hydrogen production and storage technologies
 - Hydrogen mobility solutions and transport
 - Hydrogen infrastructure development
- Natural gas infrastructure conversion to hydrogen
 - CCUS projects
- Electrolyzer and fuel cell technologies
- Hydrogen demand and global economics
- Global hydrogen projects and investments
- Hydrogen as a driver for decarbonization
- Investment opportunities and financing challenges
 - ...and more!
