**Tour:** **Wayne Township Landfill**

Clinton County Solid Waste Authority also offers a variety of waste services including solid waste management, waste hauling, wood grinding, compost production and recycling. The Authority owns and operates the Wayne Township Landfill located in McElhattan, Pennsylvania and is committed to reducing, reusing, recycling and managing solid waste in ways that serve and preserve the local community. The Wayne Township Landfill's commitment to reducing, reusing, and recycling is evidenced by our landfill gas (LFG) recovery system. Other services include rail siding, and surveying services.
