

Susquehanna AIChE Scholarship Meeting

Date: Wednesday, May 21, 2025

Program: Please join us at this signature event as we continue our annual tradition of awarding scholarships to local high school students pursuing careers in chemical engineering. This year we are awarding a scholarship to Nidhesh Padarthy, a senior at Cumberland Valley High School. He will be attending University of Pittsburgh this fall.

In addition, a local chemical engineer will give a presentation on their career path as a chemical engineer.

This is a great opportunity for seasoned and young professionals alike to gain first-hand information and practical advice on diverse career paths within chemical engineering.

Location: The meeting will be held at the Hershey Technical Center.

Address: 1025 Reese Avenue, Hershey, PA 17033

When you arrive at the Hershey Technical Center, please park in the area designated for visitors. Go to Security and register. Security will direct you to the room where the event will be held.
