

AIChE Susquehanna Section January Meeting

Student Chemical Engineering Seminar

Date: Wednesday, January 29, 2020, 6:00-9:00 PM

Program: Susquehanna Section is sponsoring the Student Seminar titled "*Is Chemical Engineering for Me?*"

Students from Grades 9-12 are invited from within our 6-county area, along with their Parents and Teachers. AIChE Members in our area are encouraged to support and participate in this Seminar.

The Seminar will feature two keynote speakers ...

1. **Dr. Monty Alger**, President of AIChE, Professor of Chemical Engineering and Director of the Institute of Natural Gas Research at Penn State University.
2. **Victoria Muir**, PhD Student in Bioengineering at University of Pennsylvania, BSc in Chemical Engineering from the University of Delaware, Recipient of the Poddar Award for Rising Chemical Engineers.

... and a Panel of Local Chemical Engineers: Chemical Engineers with varying backgrounds from the local area available to answer questions and interact with students.

This is a great opportunity for seasoned and young ChE professionals alike to gain and give first-hand information and practical advice on career paths in Chemical Engineering.

Schedule:

6:00-6:30	Arrive and sign in, pick up handouts, socialize
6:30-7:00	Presentation by Victoria Muir
7:00-7:30	Presentation by Dr. Monty Alger
7:30-8:15	Panel discussion with local engineers and keynote speakers
8:15-9:00	One-on-one discussions of students with engineers
9:00	Adjourn

Location: The Seminar will be held at the Administration Building for the Hempfield School District located at 200 Church Street, Landisville, PA 17538.

Enter in the front doors that are facing Church Street. Parking is available around the building and high school parking lots near the building.
