It's STS 2020 Awards Nomination Time! Make sure you send your
nominations before May 1st 2021. For more information please
click [here](#)

Lucas Von Ruff displays his 2020 STS – AIChE YP Chair Appreciation Plaque & 2021
Young Chemical Engineer of the Year Award. please click [here](#) for more details.

Does AIChE Have Your Birthdate on Record? This creates a problem for the AIChE Nominating and Awards Committees as one (1) South Texas Section – AIChE Executive Committee Position has an age requirement as do three (3) STS – AIChE Awards.

Please click [here](#) to learn how to update your profile.

The 2021 Offshore Technology Conference AUGUST 16–19 2021 at NRG Park, Houston; Volunteers Needed.

This is a great opportunity for learning and networking. Don't miss out: Click [here](#) for more details.

The future of STEM Scholars Initiative(FOSSI) program 2021

The Future of STEM Scholars Initiative program offers 4-year scholarships of \$10K per year and will provide internship opportunities, and facilitate mentoring and leadership training. With a first-year goal of funding 150 scholars, this is an opportunity not to be missed!

The application process closes on February 15th, so we encourage you to spread the word today.

Click [here](#) for more information.
