Zug Island is located just east of West Jefferson and just north of Springwells/West End Rd.

Drive east/south until it dead ends into W. Jefferson, then turn left. Zug Island Road is one-half block past West End on the right hand side. There is a DTE / US Steel / Delray Connecting Railroad sign on the corner. Turn right onto Zug Island Road. Go to the end of the road and across the blue bridge. You will come to a stop sign, and then another stop sign. Continue ahead and follow the road as it veers to the left. Make a left at the yield sign; there are blue and white EES Coke directional signs along the way. When you see the security building, you are at the Gap Gate.

Park your vehicle in the parking lot on the left before the Gap Gate, and walk to the security booth.
