

2021 Meet the Industry Candidate Virtual Poster Session

At the AIChE Annual Meeting

November 15-19 (exact date TBD)

Sponsor: Pharmaceutical Discovery, Development and Manufacturing (PD2M)

This session is designed to facilitate pharmaceutical industry scientists and recruiting teams to network with potential industry candidates. Come show off your research!

Confirmed participants (plus more to come):

**THIS SESSION WILL BE A GREAT OPPORTUNITY FOR
INDUSTRY CANDIDATES to**

- Showcase your research to a targeted pharmaceutical audience
- Learn about employment opportunities across multiple pharma companies in one session
- Build your network to bridge from academia to industry

PHARMA COMPANIES/ORGANIZATIONS to

- See the latest and greatest research from top universities
- Meet new talent across the entire AIChE community coming out of academia in one setting
- Grow connections or increase collaborations with academic partners

Presenting authors should be graduate students/post-docs who are available for employment by Summer 2022. Interested applicants are asked to submit their resume (2 pg max) and research abstract (<400 words) through Confex '[Meet the Candidates Sessions](#) → [PD2M Meet the Industry Candidates Poster Session](#)'. Deadline for submissions: July 1, 2021.

For further questions, contact the session chairs: Moiz.Diwan@abbvie.com, jasmine.rowe@merck.com, Tandogan_nil@lilly.com, or Andreas.Bommarius@chebe@gatech.edu
