## From the Fellows Council Chair

Dave Eckhardt,  
Fellows Council  
Chair

Happy New Year to AIChE Fellows and our supporters who continue to contribute to the strength and success of our profession.

Participation in Fellows Council is open to all AIChE Fellows. We meet after Fellows Breakfast at both the Spring and Annual Meetings. All Fellows are free to join us.

We congratulate the 33 new Fellows elected in 2019 and honored at the Orlando Breakfast. If any have not yet made arrangements to receive your pin and plaque, please contact [Monica Mellinger](#). We ask all Fellows to consider nominating a deserving colleague to the grade of Fellow. Qualifications can be [found here](#).

We also congratulate the approximately 250 Fellows who have been Fellows for 25 years. You should have received a letter congratulating you on this achievement. Certificates are being given out at 2020 Spring and Annual Meetings with mailings for those not planning to attend.

Fellows Breakfasts allow Fellows attending the Spring and Annual Meetings to catch up with colleagues, share experiences, and keep up with AIChE's progress.

All Fellows are welcome to join our activities and may propose a new activity to help AIChE achieve its goals. The AIChE Student Regional Conferences are held in the Spring; all can use volunteer support. Here are [details for the student conferences](#).

We provide news of activities of the Fellows Council in three annual Fellows Newsletters and on the Fellows website [www.aiche.org/fellows](http://www.aiche.org/fellows). Feel free to comment to [fellowscouncil@aiiche.org](mailto:fellowscouncil@aiiche.org) about these communications.

We look forward to seeing you in 2020.

Hi all,

Learning, virtually and through remote tools has obviously become more popular in recent weeks. Do you have any best practices for remote learning and making most of it? While there may be some overlaps in best practices with remotely working, I'm specifically interested in virtual learning/education best practices.

## The Fellows Council

The AIChE Fellows Council oversees the organized activities of the Fellows and meets four times per year to discuss Fellow activities and policies. Two meetings are at the fall (Annual) and spring (National) AIChE meetings, and two are virtual, usually by teleconference in January and June; this year there was an extra telecom in August. Fellows are encouraged to contact any of the FC leaders about issues that should be considered.

During the November 12, 2019 meeting in Orlando, the following were discussed:

1. Fellows Breakfast: Generally good; rearrange room for better viewing; shorten leader talks.
2. 25-year Fellow recognition at both Breakfasts; honorees to choose venue to get certificate.
3. New Fellows Council officers and members (see 2020 roster below)
4. Possible initiatives with Young Professionals: judges for competitions & mentoring
5. Strategic issues & programming: Fellows cosponsoring sessions at 2020 Annual
6. FC to meet in Houston on day of Fellows Breakfast. Interested Fellows invited to attend

For details and making comments about these items, send email to [fellowscouncil@aiche.org](mailto:fellowscouncil@aiche.org).
