

George Stephanopoulos Award in Process Systems Engineering

Recognizes outstanding lifetime contributions to process systems engineering. This award is co-sponsored by the National Technical University of Athens, Greece, the EFCE Working Party on Computer Aided Process Engineering (CAPE), and the AIChE CAST Division. In odd-numbered years, the AIChE CAST Division will organize the nomination and selection process. EFCE-CAPE will organize the nomination and selection process in even-numbered years. The recipient need not be a member of AIChE. A recipient may receive this Award only once.

Nomination Packet (Documents)
