## Invited Speakers Announced

We are delighted to be able to **announce** the names of the following plenary and keynote speakers that are confirmed for CHoPS 2024.

These speakers, spanning multiple continents and career stages, have been selected for their achievements and diversity of expertise within the broad field of particulate solids, ensuring a balanced representation of academic and industry backgrounds.

We are certain that these speakers will enrich CHoPS through their engaging and thought-provoking talks.

Full details on all the speakers and their talks can be found [on the conference website](#).

## Accommodation

Please visit the [Accommodation page](#) of the website for advice on suitable local hotels that are currently available.

We have secured rooms at several hotels at special rates for the conference and these can be searched and booked from the conference website.

**We recommend booking your accommodation as soon as possible.**

## Sponsorship & Exhibitor Opportunities

We currently have exhibitor and sponsorship opportunities available.

If you would like to sponsor or exhibit at CHoPS 2024 please get in contact with us to discuss. We have packages available to suit all levels of sponsorship - read more [HERE](#).

The Conference venue is the impressive, multi-purpose Edinburgh International Conference Centre (EICC) which is in the centre of Edinburgh city and within walking distance of both of Edinburgh's train stations.
