

AIChE's 35 Under 35 Award
Winner Questions

Full Name
Age
Current Position - Please provide the title of your current position as well as a brief description. If you are a full time graduate student, you can include a description of your current research.
Past Experience - Please list the job title and the company at which you worked for each job. If you are a full time graduate student, you can include a description of your previous research.
Education - Please provide the degree and the university from which you received the degree.
Current and Past Involvement with AIChE - Please describe the ways in which you have been involved in AIChE in the past as well as your current involvement.
Awards - Please list any awards or recognition you have received in your career.
If you could ask your chemical engineering peers one question either about your current career, the field for which you were nominated for this award, professional development, or general chemical engineering, what would it be? - Feel free to include any background information to the question you feel is necessary. AIChE might post this question to AIChE Engage on your behalf.
Upload a head shot photo (300 dpi)
Upload 1-3 fun pictures that show off your personality. These photos can include other people.
<u>Upload a short video (30 seconds) of yourself answering one of these questions. Instructions for video and information on its usage are included in the link.</u>
