

Your organization's success depends on employees who are trained and up-to-date on what's new and what's changing relevant to their complex and critically important jobs. Join over 100 corporate, government, and academic institutions that have recently used AICHE Academy to Train-A-Team!

Learn from the world's leading organization for chemical engineering professionals with courses developed and taught by subject matter experts in:

**Chemical Engineering Practice • Process Safety
Chemicals & Materials • Biological Engineering
Sustainability • Professional Development •
Energy • Modular Chemical Process Intensification**

AICHE ACADEMY TOP 10:

- CCPS' Process Safety Boot Camp
- AICHE's Chemical Engineering for Non-Chemical Engineers
- CCPS' 20 Elements of Risk Based Process Safety (RBPS)
- CCPS' Hazard Identification for Operators and Maintenance Workers
- CCPS' Process Safety Leadership for Front-Line Supervisors
- AICHE's Distillation in Practice
- AICHE's Spreadsheet Problem Solving for Chemical Engineers
- CCPS' HAZOP Studies
- CCPS' Process Safety Management Overview

AICHE Academy brings a full array of education and training resources to chemical engineers and the companies they work for. You'll find courses, webinars, conference presentations and more from AICHE, CCPS, SBE, IfS, and ISWS. You can search by topic, availability of CEUs and PDHs, delivery method, skill level - even location. Start learning today.

THOSE THEY WORK WITH.**

TRAIN-A-TEAM BENEFITS

Help employees grow their knowledge base, develop new skill sets and refine their expertise.

TRAIN-A-TEAM ON-SITE APPROACH

On-Site Training Delivered to
Your Location

TRAIN-A-TEAM ONLINE APPROACH

eLearning Delivered to
Your PC or Mobile Device

SAVINGS

Save on staff travel time and expenses and receive group discounts. Also save on internal resources—AIChE Academy courses have been developed and vetted by subject matter experts.

CONVENIENCE

Delivery at a site of your choice and at a time that fits your schedule.

PROFITABILITY

Improve organizational performance and capability through workforce development.

CONSISTENCY

Establish a common skill level and provide standardized training.

EFFECTIVENESS

Increase staff skills, competence, and productivity.

CREDIT

Participants gain professional development which can translate into elevated performance and productivity while earning CEUs and PDHs.

ACCESS

Indispensable staff receive training yet remain in-house and accessible.

EXPERTS

Exclusive time with a subject matter expert to bring life to the content, share real-world examples, address questions, and facilitate valuable group discussions.

CUSTOMIZATION

Available to meet your unique needs.

CONFIDENTIALITY

Speak freely about your company processes in a private class.

VALUE

For courses with multiple instructors, you may request specific instructors whose experience provides added value to your training.

STRONGER TEAMS

Develop stronger teams through the dynamic interaction of group training.

EASE

On-Demand courses fit all work schedules. An internet connection and a computer is all that is required and learners may pause the training as needed.

EFFICIENCY

Train staff at multiple locations and quickly onboard and engage new hires to help them succeed.

COMPREHENSION

Participants learn at their pace and quizzes are featured to test knowledge. Courses never expire, participants can return to the course for a refresher.

ACCOUNTABILITY

Monthly Progress Reports are available to monitor participant progress.

DESKTOP ACCESS TO EXPERTS

Many AIChE online courses feature the same subject matter experts that teach our acclaimed face-to-face courses.
