QUALIFICATIONS

Each award has a different set of qualifications. These are described on the AIChE website, <http://www.aiche.org/awards/division-and-forum>

1. Description:
 - a. This award recognizes a forum member's lifetime outstanding scientific/technical contributions to the field of particle technology, as well as leadership in promoting scholarship, research, development, service and/or education in this field.
 - b. The award is contingent on a candidate meeting the above criteria and may not be awarded every year.
2. Selection criteria:
 - a. Nominee must not have won another PTF award in previous three calendar years
 - b. An outstanding contributor to the field of particle technology who has also made significant lifetime contributions to PTF through their scholarship, service and enthusiasm for the field
 - c. The awardee will deliver a presentation at the AIChE Annual Meeting in a PTF award session
3. Nomination procedure:
 - a. Initial nomination can be made
 - b. A letter of nomination stating how the nominee contributed to the field of particle technology in terms of scholarship, research, development, service and education, and
 - c. At least three and no more than five supporting letters
 - d. Either the nominator or one of the supporting letter providers must be a current PTF member and a prior PTF award winner in any category
 - e. If the nominee has previously received any award from AIChE or one of its divisions/forums, and explicit statement of new accomplishments or work over and above those cited for the earlier award(s) must be included (max. of one double spaced page).
4. Selected bibliography (including books, patents, and major papers published).

\
