QUALIFICATIONS

Each award has a different set of qualifications. These are described on the AIChE website, <http://www.aiche.org/awards/division-and-forum>

1. Description:
 - a. This award recognizes outstanding and internationally recognized contributions in particle technology by a young professional under 40 years old.
 - b. The award is contingent on a candidate meeting the above criteria and may not be awarded every year.
2. Selection criteria:
 - a. Nominee must have not have won another PTF award in previous three calendar years
 - b. An outstanding contribution to the field of particle technology, such as innovation, breakthrough research demonstrated through patents and publications; and
 - c. Service to the particle technology community by way of education, leadership, stewardship and collaboration with other disciplines of engineering and science
 - d. Receipt of last degree within the past 7 calendar years during the year when Award may be made
3. Nomination:
 - a. A letter of nomination stating how the nominee contributed to the field of particle technology in terms of scholarship, research, development, service and education, and
 - b. At least three and no more than five supporting letters, one of which must be from industry
 - c. Either the nominator or one of the supporting letter providers must be a current PTF member
 - d. If the nominee has previously received any award from AIChE or one of its divisions/forums, and explicit statement of new accomplishments or work over and above those cited for the earlier award(s) must be included (max. of one double spaced page).
 - e. Selected bibliography (including books, patents, and major papers published).

SUPPORTING LETTERS

Letters from minimum three and no more than five individuals whose names are listed below; one of which must be from industry. Awards Committee members and subcommittee members for the award may not write supporting letters.

Name, Affiliation	Confirm status of PTF Membership

Deadline for complete package: May 31, 2019
