

Thomas Baron Award in Fluid-Particle Systems - AWARD NOMINATION FORM

Send a **single** electronic (PDF file preferred) copy of this form, supplemental sheets, supporting letters and other relevant documents via email to:

Maria Silvina Tomassone (PTF Vice Chair)

E-mail: silvina@soe.rutgers.edu

Deadline for complete package: May 31, 2023

BACKGROUND DATA

1. Name of the Award: **Thomas Baron Award in Fluid-Particle Systems**

Today's Date:

2. Name of Nominee:

Date of Birth:

3. Present Position (exact title):

Telephone Number:

Company or Institution:

Email:

Address (City, State, Code, and Country):

4. University Education:

Institution,

Degree,

Major

Year,

5. Positions Held:

Company or Institution

Position or Title

Dates of Employment:

6. Technical and Professional Society Memberships and Offices held (Must Identify PTF Membership Status & Duration):

Nominator's Name, Address, Telephone Number and email:

Nominator's Signature:

7. Academic and Professional Honors (awards, prizes, membership in honorary societies and date the honor was received):

CITATION

Proposed citation (not more than 25 carefully edited words that reflect specific achievements):

QUALIFICATIONS

Each award has a different set of qualifications. These are described on the AIChE website, <http://www.aiche.org/awards/division-and-forum>

1. Description:
 - a. This award recognizes an individual's recent outstanding scientific/technical accomplishment which has made a significant impact in the field of fluid particle systems or in a related field with potential for cross fertilization with relevance to the topics of interest to PTF community
Field of fluidization and fluid-particle flow systems
 - b. The award is contingent on a candidate meeting the above criteria and may not be awarded every year
 2. Selection criteria:
 - a. Nominee must not have won another PTF award in previous three calendar years
 - b. An outstanding scientific/technical accomplishment which has made a significant impact in the field of fluid particle systems or in a related field with potential for cross fertilization with relevance to the topics of interest to PTF community
 - c. The awardee will deliver a presentation at the AIChE Annual Meeting in a PTF award session
 3. Nomination Package:
 - a. A letter of nomination stating how the nominee contributed to the field of fluidization and fluid-particle flow systems
 - b. At least three and no more than five supporting letters
 - c. Either the nominator, or one of the supporting letter providers must be a current PTF member
 - d. If the nominee has previously received any award from AIChE or one of its divisions/forums, and explicit statement of new accomplishments or work over and above those cited for the earlier award(s) must be included (max. of one double spaced page)
 - e. Selected bibliography (including books, patents, and major papers published)
-

SUPPORTING LETTERS

Letters from at least three no more than five individuals, one from industry, whose names are listed below.
Awards Committee members and subcommittee members for the award may not write supporting letters.
