

6th International Mammalian Synthetic Biology Workshop

May 17-19, 2019 • Norris Center, Northwestern University • Evanston, IL

CALL FOR ABSTRACTS & REGISTRATION NOW OPEN

The **6th International Mammalian Synthetic Biology Workshop** brings pioneers of synthetic biology together with experts from other relevant fields to highlight and inspire cutting-edge synthetic biology research, emphasizing both basic and applied science. The event format will provide a forum for exposition of the latest developments in the field and discussions of how experts from related fields can benefit from and contribute to mammalian synthetic biology.

Keynote Speakers

- Melody Schwarz, *University of Chicago*
- Linda Griffith, *Massachusetts Institute of Technology*

Invited Speakers

- Martin Fussenegger, *ETH Zurich*
- Tejal Desai, *University of California, San Francisco*
- Ron Weiss, *Massachusetts Institute of Technology*
- Darrell J. Irvine, *Massachusetts Institute of Technology*
- Miki Ebisuya, *EMBL Barcelona*
- Ben Hurlbut, *Arizona State University*
- Hidde Ploegh, *Boston Children's Hospital*
- Savas Tay, *University of Chicago*
- Laurie Zoloth, *The University of Chicago Divinity School*
- Dario Robleto, *Northwestern University McCormick School of Engineering*
- Cheryl Cui, *Nest.Bio Ventures*
- Gaymon Bennett, *Arizona State University*
- Stanley Qi, *Stanford University*

NEW FEATURE:

Pre-conference Tutorial Series • Friday, May 17
(Be sure to RSVP during your registration)

Committee Chairs

- Yvonne Chen
University of California, Los Angeles
- Ahmad (Mo) Khalil
Boston University
- Josh Leonard
Northwestern University
- Susan Rosser
University of Edinburgh
- Ron Weiss
Massachusetts Institute of Technology

Organizing Committee

- Caleb Bashor
Rice University
- Lacre Bintu
Stanford University
- Leo Bleris
University of Texas at Dallas
- Jon Chesnut
Thermo Fisher Scientific
- Tara Deans
University of Utah
- Shiva Kalinga
Massachusetts Institute of Technology
- Samira Kiani
Arizona State University
- Hao Yuan Kueh
University of Washington
- Leonardo Morsut
University of Southern California
- Velia Siciliano
Italian Institute of Technology
- Nevin Summers
Massachusetts Institute of Technology
- Wilson Wong
Boston University
