

# BIOENGINEERING & TRANSLATIONAL MEDICINE CONFERENCE 2019

OCTOBER 7-8, 2019  
DUKE UNIVERSITY • DURHAM, NC

Participate in **Bioengineering and Translational Medicine Conference (BTM 2019)** – an event that brings experts together from industry and academia worldwide to discuss advances in the development, clinical and commercial translation of biological technologies.

## SESSION TOPICS

- Immunoengineering
- Delivery of small molecules
- Delivery of biologics
- Regenerative medicine
- Gene therapy
- Cell therapy

## KEYNOTE SPEAKERS

**Patrick Stayton**, *University of Washington*  
**Melody Swartz**, *University of Chicago*  
**Jennifer West**, *Duke University*

## CONFERENCE CHAIRS

**Ashutosh Chilkoti**, *Duke University*  
**Joel Collier**, *Duke University*

## ORGANIZING COMMITTEE

**Stelios Andreadis**  
*State University of New York at Buffalo*  
**Rebecca Carrier**  
*Northeastern University*  
**Efie Kokkoli**  
*Johns Hopkins University*  
**Kent Leach**  
*University of California, Davis*  
**Samir Mitragotri**  
*Harvard University*  
**Suzie Pun**  
*University of Washington*

## INVITED SPEAKERS

**Julie Champion**, *Georgia Institute of Technology*  
**Craig Duvall**, *Vanderbilt University*  
**Charlie Gersbach**, *Duke University*  
**Ravi Kane**, *Georgia Institute of Technology*  
**James Moon**, *University of Michigan*  
**John Wilson**, *Vanderbilt University*  
**Efie Kokkoli**, *Johns Hopkins University*  
**Aaron Esser-Kahn**, *University of Chicago*  
**Jenny Munson**, *Virginia Tech*  
**Rebecca Pompano**, *University of Virginia*  
**Tatiana Segura**, *Duke University*  
**Cherie Stabler**, *University of Florida*  
**Millicent Sullivan**, *University of Delaware*
